Sinai – Jebel al-Lawz in Saudi Arabia. They also told about underwater searches for Pharaoh's chariots and weapons from the Egyptian army. This paper examines three aspects of the identification of Mt. Sinai in Saudi Arabia. First, the paper questions the credibility of the claims. Second, the paper disputes the false assumptions by the proponents of Jebel al-Lawz. Third, the paper examines the archaeological evidence.</p></div>

The background is a dark, swirling sea with a massive, glowing green and yellow light source in the center, resembling the parting of the Red Sea. In the foreground, a man (Moses) is seen from behind, standing on a rock and holding a long wooden staff high in his right hand. In the distance, through the parted waters, a city (Giza) is visible under a hazy sky with a few birds flying. The title 'EXODUS' is written in large, blue, serif capital letters across the middle. Below it, the tagline 'GOD CALLS, GOD PROVIDES, GOD FULFILLS' is written in smaller, blue, sans-serif capital letters.
