The background of the slide is a composite image. The top half features a brilliant sunburst or starburst effect, with rays of light in shades of yellow, orange, and white radiating from a central point. These rays are set against a backdrop of soft, ethereal clouds in shades of purple, pink, and blue. The bottom half of the image shows the curved horizon of the Earth from space, with a thin layer of white clouds and a glimpse of the dark, starry void of the universe above the horizon line.
