A curse was pronounced on Jeconiah (Jer 22: 30) This is what the Lord says, "Record this man as if childless, a man who will not prosper in his lifetime, for none of his offspring will prosper, none will sit on the throne of David, or rule anymore in Judah."

The curse pronounced on Jeconiah (Jer 22: 30) is BYPASSED, and KEEPS Jesus in the line of David thru Mary

HOW CAN THIS WORK?

CONIAH marries the daughter of **Neri**.

Neri's daughter is a widow with a son named **Pedaiah**

Coniah has a son with her—names him **Shealtiel**

This makes **Pedaiah** and **Shealtiel** half brothers

Shealtiel dies and leaves a widow, who marries **Pedaiah**

The widow of **Shealtiel** and **Pedaiah** beget **Zerubbabel**

The *actual* father of **Zerubbabel** is **Pedaiah**

The *legal* father of **Zerubbabel** is **Shealtiel**

Therefore, **Zerubbabel** is related to **Neri** through **Shealtiel**

Zerubbabel is *also* related to **Coniah** through **Shealtiel**

Zerubbabel has a son, **Abiud**, which is the line of **Joseph**

Zerubbabel's daughter is named **Shelomith** who marries **Rhesa**

Joannas is the son of **Rhesa**, which is the line of **Mary**
