

**The LIFE Lessons of The SECOND TOUR  
For the TWELVE Disciples**

- #1. Out of the 12 He singles out 3.  
This is something they will have to deal with among themselves  
There WILL BE AN INNER CIRCLE!**
- #2. No matter what the situation (Storms / Demons / Disease / Death):  
Put aside Fear—Trust in the Father (and Me—We are One)**
- #3. Do not favor the stature of men.  
The Gentile man with the demons?  
Turn him loose to spread the seed to the Gentiles!  
He can reach people YOU Jewish Guys can't reach!  
The Poor Woman with an embarrassing illness?  
She is just as important as the Leader of the Synagogue.**
- #4. You are on the Father's Timetable. He sets the agenda.  
A delay looks like a waste of time or effort to you  
BUT It is OUR Father implementing a better plan.  
If people hate you (because their pigs got killed?)  
They laugh at you (because you took too long?)  
Seek the Father's will—Have FAITH!**
- #5. Be careful when you go home—Keep your expectations LOW  
Put aside Rejection—Trust in the Father (and Me—We are One)**
