

*“Israel served for a wife, and for a wife he kept sheep.”*

*—Hosea 12:12*

He watched over all His Sheep til He gave His last account,  
“Of all those whom You have given Me I have lost none.”

Sleep departed from His eyes,  
for all night He was in Prayer wrestling for His people.

“He shall feed His flock like a Shepherd”

Charles Spurgeon “Morning and Evening” Nov 22

### ***My Meditation***

Lord Jesus! You passed this task on to Peter—“Feed My Sheep, and Follow ME!”  
How many hours did you pray for him? You knew the anguish he would suffer after he denied you, abandoned you. That sin that plunged him into darkness. How will he recover? Only by your mercy and grace—and the call to “Follow” again.

Will he follow You into long nights of prayer for his own flock? He once thought a sword was his only defense. He will learn, as we in Your Church must learn today,  
that our weapons are surrender, prayer, and service.

These weapons are the way, and the beauty, of Your Kingdom.

These are the things that powerful men do not understand.

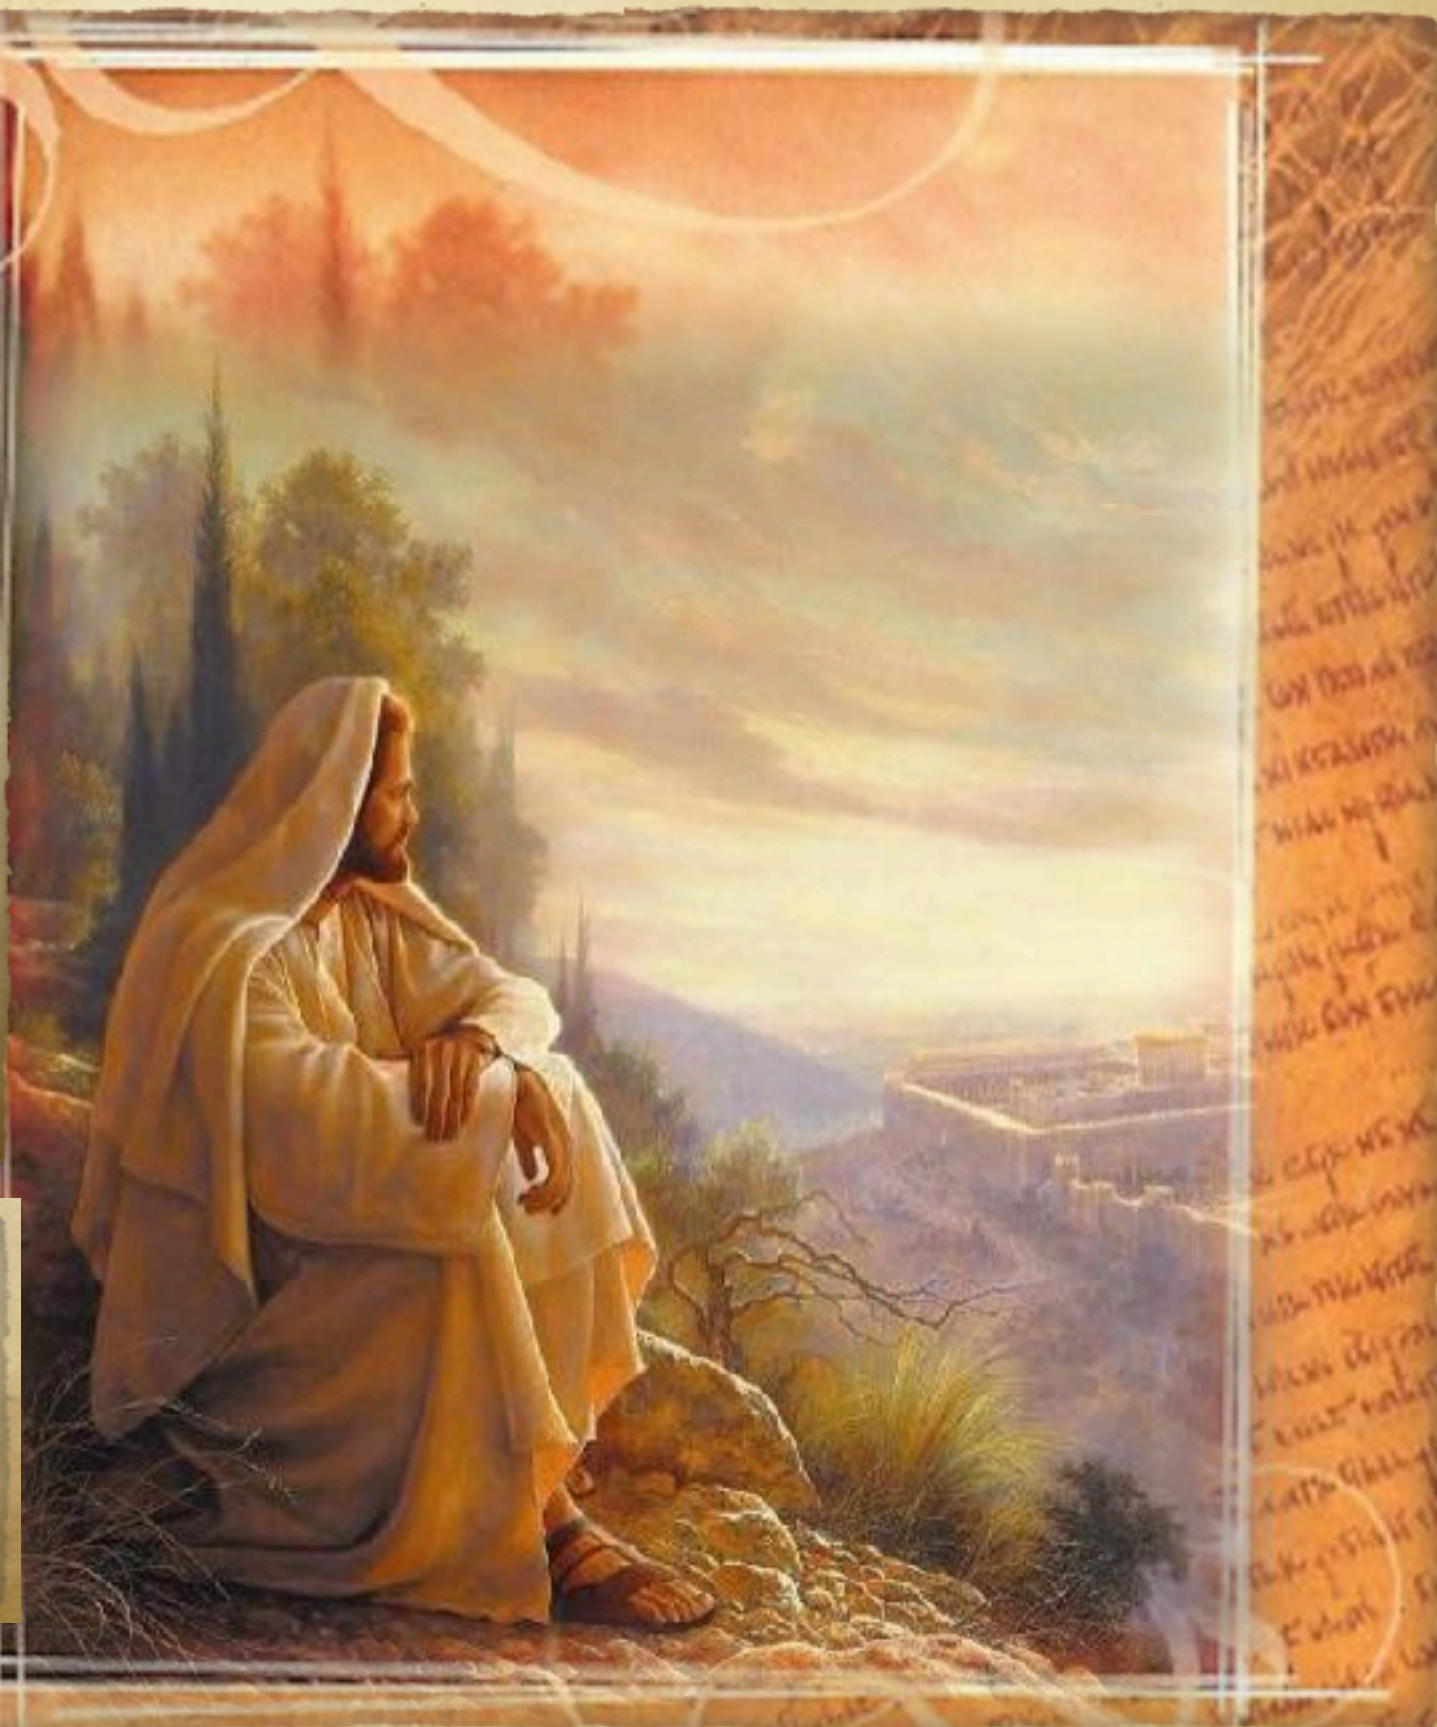

Please, Lord, do not let us look to them for our deliverance!
